The History and Culture of the City with A Thousand Temples</p> <p>Temples play a crucial part in the lives of Tainan locals</p> <ul style="list-style-type: none"> <li>● During the late Qing period, the imperial court was unable to protect the local people's safety and effectively fend off pirates who attacked Tainan's residents from time to time. Temples formed cross-regional alliances to secure social stability and build some degree of defense against the threats.</li> <li>● Yeh Shih-tao's famous quote, "Tainan is a good place for people to dream, work, fall in love, get married, and enjoy life." attracted many people to settle in Tainan.</li> <li>● Tainan is the oldest capital of Taiwan. Here you will find numerous large and small temples almost everywhere when you stroll through the West Central District (old town area). This "city with a thousand temples" has a lot of stories to tell.</li> <li>● And these stories and historical features have transformed Tainan into a major tourist destination.</li> </ul> <p>二、 應用發想</p> <ul style="list-style-type: none"> <li>● 台南是個觀光旅遊為重的城市，為因應 5G 應用發展，台南觀旅局正在構想與 MR/VR 的觀光應用，以台南建城 4 百年為主題加入在地文化或在地元素投入其中，藉此 POC 案完成線上廟宇導覽的初階執行。</li> </ul> <p>II. The city's Tourism Bureau is currently looking into leveraging new 5G technologies to introduce MR/VR applications into tourism. For the virtual temple tours' initial execution phase, the Bureau plans to combine local cultural elements with the theme "Tainan City's 400<sup>th</sup> anniversary" to create a PoC project.</li> </ul> <p><a href="http://140.134.48.75/UAV/360_Result/Tainan/">http://140.134.48.75/UAV/360_Result/Tainan/</a></p>
