

mmWave Radar Sensor Expert

# Company Profile

- **Founded Year: 2019**
- **Website: <https://www.millilab.io/>**
- **Headquarters: Taipei, Taiwan**
- **Team Size: 20 ( 80% R&D, 10% Sales & Marketing, 10% Management)**
- **Products & Services: mmWave Radar Module Engineering Service**
- **Funding Raised to Date: USD 3M+ (Backed by Top Radar Companies in Taiwan - UMEC / Listed**

**Tech Manufacturer – Wanshih Electronic / Taiwan’s National Development Fund)**

# What we can offer

## ENGINEERING SERVICE

---

Vital Sign Monitoring

Motion Detection

Position Detection

Automotive Electronic:

CPD / DMS / Dash Cam

## SOFTWARE

---

Algorithm design

Algorithm customization

MCU firmware design

## HARDWARE

---

Simulation Radar Signal  
Strength Analysis

mmWave RF Design

# Applications

SBR

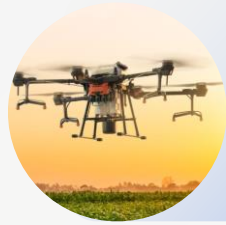

DMS

CPD

Dash Cam

Drone

Baby Cam

Smart  
Lighting

Customized Applications based on Your Needs

# Our clients

# Why Millilab?

## Flexibility

Flexibility of  
chip providers

## Lower Cost

Reduce hardware  
costs by lowered  
spec demand

## Recognized

Trusted by  
global clients

## Partnership

Partnership with  
leading chip  
manufacturers

# Let's Collaborate

Contact us to discuss partnership opportunities further.
