# Rotavirus vaccine-Process for checking vaccination eligibility

# Free Pneumococcal Vaccine- Process for checking vaccination eligibility

**Check Pneumococcal  
Vaccine Eligibility**

**Check with ID card and  
birthday**

Check result: **Ineligible**  
Hello citizen, you have already received a free Pneumococcal vaccination

Check result: Still ineligible  
Hello citizen, you are still ineligible for a free Pneumococcal vaccination. Eligibility is limited to (1) indigenous people aged 55-64 and (2) the elderly aged 65-74 years whose registered address is in Taipei City and who have never received the PPV23 vaccine.

Check result: **Eligible**  
**Hello citizen. You are eligible for a free Pneumococcal vaccination. Please take your ID card and National Health Insurance Card to a specially engaged Taipei City hospital for a free vaccination.**
